Chairman's Message -----

Having written so often in T.C.M., this month I would like to write about it. The subject on which I want to comment is not new but I think it an appropriate time to touch on it again as so many new members have joined our ranks over the past twelve months.

What I want to say concerns contributions to your magazine which I am assured by our editor are few and far between.

In trying to make it of the widest possible interest to the most number of members he needs contributions from you all. Not many-not long ones-but just some short notes on items of interest either about yourself or a fellow member with whom you're friendly.

This has been said before but it bears repeating; that if each member sent in only one personal item each year this would provide enough material to completely fill two magazines the size of ours. Yet we are usually short of these personal paragraphs.

This, therefore, is a request, particularly to our new members, to send items in to T.C.M. so that its circle of interest will be as wide as possible. They can be left at the front desk for the editor or put in the T.C.M. Box-Box 1-on the first floor.

BATTLE OF THE NORTH

The sports battle of the North was on again recently when the Coogee-Dover Club fought out a golf game with the "All Sports" Club at Tweed Heads. The Coogee-Dover Club, as regular T.C.M. readers will recall, is one of the oldest Social Sports Clubs in Sydney and boasts many Tattersalls' members amongst its ranks. In fact, Tom Powell is its President and Les Tidmarsh is its Vice-President. The All Sports Club of Coolangatta is a similar body from up North and a regular and friendly rivalry has developed between the two. Forty-two members went along on this occasion and a very pleasant time was had by them all. We understand a return match is to be held in Sydney in November when many friendships will be renewed and the sports arena will echo with the sounds of battle.

GOOD USE OF DINING ROOM

Our Club dining room has always been particularly popular with our members and it is good to see so many of our newer members making good and regular use of it. Amongst those sighted on the fourth last month was newly-elected Stan Robinson. This will be a well known name to the Rugby League followers amongst our readers for Stan was a St. George stalwart many years ago and played in some memorable games for them. No doubt he'll be pleased with their recent success in the final, a view he loyally predicted before the event. On this particular occasion Stan and his wife were the guests of Mr. and Mrs Dick Dowling who entertained a party which also included Mr. and Mrs. Eric Adnam and Mr. and Mrs. J. Myall, two Melbourne visitors.

TOURING OSLO

Chairman Frank Carberry heard last month from Judge W. J. Dignam, who is presently touring Oslo. The Judge, it will be remembered, was a former Australian Minister in Dublin and, on his present trip, paid a visit to Ireland. He made particular mention in his letter to Frank about one place of interest there—Bally Macabry—for while it isn't spelt the same the latter part of it matches Frank's surname. Tattersall's members wish you a happy trip, Judge, and will look forward to seeing you on your return to Australia.

BON EASTMENT IN HOSPITAL

If you've been wondering why you haven't seen Bon Eastment around the Club over the last few weeks it's because he's been in hospital. However, there's no cause for alarm, for Bon is really only in for a rest cure. This is the result of him being run down over recent months and feeling jaded by pressure of work. Bon is in St. Vincent's in the Private Section and told us that he would have no objection whatsoever to seeing some of his friends any time and felt like dropping in. All here at Tattersall's send you best wishes for a pleasant rest and will look forward to seeing you in due course as fit and well as ever.

MEMBER IN THE EAST

It's always a pleasure to hear from our overseas members and last month we did better than that and received through his father, Harry, a photograph of John Warne taken in his home town of Hong Kong. In it John is shown with his dog beside the family automobile. As some members will know, John is a pilot in the East, and flies for Hong Kong Air Transport. His wife, Lee, is well known in Hong Kong too, especially amongst Australians who visit there, for she is Secretary of the Australian Association in that city. She is to be congratulated on the work she does for that body for, from reports we have received from time to time, it is apparent she is the mainstay of the Association. To both John and Lee we send best wishes from Tattersall's, and wish them both lots of luck and success with their respective jobs.

STAPLETON "AT HOME"

Although eye-witnesses were rather reticent on the subject and this report was written largely from rumour, it is understood that an "at home" Jim Stapleton held for several of his Tatter-call's buddies last month was quite an enthusiastic affair. The venue was Jim's week-ender in a delightful part of Pittwater and amongst his guests were Tom Farrar, Roy Barmby, Geoff Belot and Bill Sellen. Surely a combination to give credence to the rumour.

WORLD NEWS FROM RUSS WILLIAMS

Russ Williams, recently returned from a round the world trip, had some interesting things to say about conditions in the countries he had visited. Items of most interest to members he suggested concerned prices. He said that living costs in European countries had risen one hundred per cent since he was over there only a year ago and that intending travellers should be prepared for this. In sharp contrast Russ instanced the prices he paid in catering for a cocktail party he gave for seventeen on the "Gothic" on his way home. The total bill was £2.15.3 and included 18 gins at 10d, 20 Scotches at 1/-, 3 bottles of beer at 1/2, nuts, olives, hors d'oeuvres and many other items. Russ said the "Gothic" was the most pleasant ship he has travelled on. The "Gothic" it will be remembered was the ship the Queen came out on recently. Your fellow members are pleased to know you enjoyed your tour Russ but are glad to see you back in the Club again.

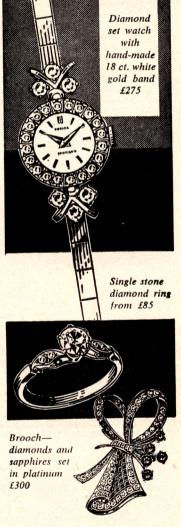

BULLFIGHTER

Many members will probably remember reading in the daily papers last month about Christopher Meagher, the Australian bullfighter who has captured the public imagination in Spain with his daring and skill. T.C.M. nearly "scooped" the dailies on that one for "Red" Tidmarsh wrote to Committeeman Les Tidmarsh on the subject as she and daughter, Lee, had run into Christopher only a short time ago. They met him in Pampilonoa, in Spain, and came to know him fairly well. They were particularly interested in his exploits for he is the son of the late John Meagher who was a member of Tattersall's. Apparently Christopher is really dedicated to the noble art, and plans to continue with it. As the son of one of our former members we wish him well in what must be one of the most unusual callings an Australian has ever followed. We'd like to thank "Red" and Lee Tidmarsh for passing this item on to us and also send them best wishes from Tattersall's, Australia.

BACK FROM OVERSEAS

We take pleasure in welcoming back from overseas three of our members and their good ladies. They are Norman Bryan, George Burnham and Norman Peters. The Bryans and the Burnhams recently returned from a two months' stay in Tahiti where, from all reports, they had a wonderful time. The Peters had been to England and the Continent and they also enjoyed their stay there tremendously. It's a pleasure to see you all back in Australia.

LIFE MEMBERS

Life membership of Tattersall's is a distinction reserved for only a few and it would be safe to say it is more rarely bestowed in our organisation than in most others of its kind. We have in fact only seven life members living at the present time. That's why it was quite an event when no less than five of them turned out for our New Members Cocktail Party last month. They were John Hickey, Don Wilson, Jack Dexter, Arthur Miller and Bill Sellen. They made the Cocktail Party truly a gathering of the New and the Veteran and it must have been a real pleasure for our newer members to meet and mingle with some of those who have seen and played a part in so much of our background.

VISITED OVERSEAS CLUBS

Committeeman Arthur McCamley passed on to us a letter he had received from member Mr. B. L. Moses. The letter was postmarked Vancouver, where Mr. Moses had reached on an extensive overseas trip. He particularly mentioned two clubs he had visited, the Outrigger and the Terminal City Club. The Outrigger is in Honolulu and the Terminal City is in Vancouver. Mr. Moses said he was most appreciative of the opportunity of visiting these organizations and felt it was a valuable assistance to our members who go overseas. Both clubs impressed him very much. Mr. Moses asked Arthur to pass on his kind regards to all his club friends, which we now do through this paragraph. Incidentally, he saw Fred Vockler on the way over and reported that the "Chief" was having a good time and enjoying the rest which the sea voyage provided. Tattersall's members send you and your family good wishes for a happy trip, Mr. Moses.

MISFORTUNE FOR NEW MEMBER

We are sorry indeed to have to report that one of our new members, Charles Lemm, recently suffered a coronary. Charles was in the Mater on the North Shore when we went to press and reports at the time were that he was progressing favourably. Your fellow members are sorry to hear of your illness Charles. They sincerely hope it will not be a long one, that your recovery will be speedy and complete and that you will soon be back in Tattersall's again enjoying the membership which came your way only recently.

ON THE ROAD

We sincerely hope it's "Happy Motoring" for member Reg Pfeiffer and his family, for they recently set out to drive to Cairns. They'll spend a short time there and return to Sydney by boat. Have a good time, Reg. We'll all look forward to seeing you on your return to the city.

FOURTH GENERATION—ALMOST

It's our real pleasure to congratulate our new member Lloyd Burman and his wife Diana on the birth last month of their first baby—a delightful daughter who came into the world weighing just over eight pounds. When a very proud Lloyd rang us to tell us the good news both were doing splendidly and even Lloyd wasn't doing too badly himself. Incidently Lloyd is a third generation Tattersall's member as the new baby's (Danielle is her name by the way) grandfather is Allen Walker and her great grandfather was the late Frank Goldberg, known by all advertising men and women as the doyen of the profession for the first half of this century. All your Club friends will be looking forward to hearing about a prospective fourth generation member in due course Lloyd and Diana.

VALE SOL GOLDHILL

Members will be sorry to hear of the death of Sol Goldhill. Sol was the oldest member in age (92), and years of membership (57).

PEARL WEDDING

Newly elected member, Claude Pickford, and his wife celebrated their 30th wedding anniversary on Saturday, 31st August. Congratulations, Claude.

Smile a Smile;
For while you smile,
Another smiles;
Soon there are miles

KNOW — YOUR — STAFF

This continues a now regular section in Tattersall's Club Magazine in which interesting information and background is given about those who make the service to members, for which our Club has long been famous, possible.

These are the members of Tattersall's Club Staff without whom our Club would grind to a standstill.

This month we feature Bob Stewart, whom all regular members know and whom all new members will inevitably come to know, and Lionel Pearce to whom these same comments could equally be applied.

Bob is the "Major Domo" of our front desk and reception and Lionel is his equivalent on our first floor.

BOB STEWART

Bob originally came to Tattersall's for three months and stayed for thirty-four years.

A competent "machinery man" his father had one of the largest shops of this kind in Sydney. However, it was hit by the depression and went out of business. As a result the then young Bob had to look around for other work.

He took a job at Tattersall's on a temporary basis and has been with us ever since. During that time he has worked in every department of the Club and is now synonymous with the name of Tattersall's for he is indeed our "Front Man." As such it would be safe to say that he knows nearly every one of our members by sight. No one is missed by Bob's eagle eye, nor is a phone message for a member forgotten nor a letter undelivered.

As our Head Porter, Bob is courtesy, helpfulness and efficiency personified and is truly part of our tradition.

LIONEL PEARCE

Although to look at him very few members would realize he would be old enough to have thirty years of service with Tattersall's, Lionel Pearce has just that.

He joined us way back in 1933 as a junior in the mail room and since then has become a familiar figure around the Club, working in every department of it except the dining room.

His only break in his association with us came with the war when he joined the 25th Infantry Battalion and served for four years in Rabaul and Bougainville.

On his return to the Club he worked in the Cloak Room and then took over the post on the first floor where he has been ever since.

ROMANCE HOLDS UP 'WINOOKA' TROPHY COMPETITION

Our competition has temporarily slowed down owing to "Cupid's Arrow" having struck one of our competitors in the right place. Congratulations to Bruce Galea, our Club Handball Champion who recently married. Every member of the Handball and Swimming Club extend to you both every happiness and success in a long life together.

In spite of the fact that one of our most important competitors was otherwise engaged we still managed to play a few games of good, exciting handball in the third round of this event. John Dexter defeated John Brice, 41/32; Keith Doyle defeated David Morrisey, 41/38; Peter Lindsay defeated Ken Glass, 41/35; Ken Humphery defeated Robert Lipman, 41/35.

The most exciting match was the one between Keith Doyle and David Morrisey. Keith proved to be quite a surprise packet. The commencing scores on handicap were Morrisey on scratch and Doyle on plus 12. From the outset Doyle more than held his own and by playing very good handball piled up a very nice lead. At one stage he was in front 37 to 22 and as the match was only 41 up he appeared to have it "in the bag". Then a dramatic change came over the game. Keith began to tire and David appeared to become stronger. Gradually Keith's lead began to dwindle and he did not win another point until David was level with him at 37-all. Keith won the next point. David won the following point, making the scores 38-all. Then David's grand effort began to tell and he lost the next three points and the match by 41/38. This was a very exciting game, and Sam Block gave a very good exhibition of umpiring.

Peter Lindsay continues to win. He met Ken Glass in this round and ran out the winner by 41/35. This match was a disappointment. Both these men are capable of playing top-class handball. They both appeared to have a day off. The rallies were short, and they both made errors, particularly Ken. Usually, Ken puts on a very good display. It was just one of those days. Peter won the match and has now progressed to the semi-finals.

Ken Humphery gave Robert Lipman quite a shock by defeating him 41/35. This match was considered as being a win for Robert. As you can see by the results, Ken had other ideas. He never looked like losing and his handicap start of 24 carried the day and he ran out as a comfortable winner. Congratulations to you, Ken.

John Dexter was too strong for John Brice. He won this match by 41/32. Brice put up a very game fight, but Dexter carries some very heavy guns and he used them all and the result was a very fine win for him.

NEW TOURNAMENT, "GOOD IDEA" TROPHY

The "Winooka" Trophy competition has reached the semi-final stage — our Secretary, Norman Rogers, has proposed that we arrange our next event. This will be the "Good Idea" Trophy which is donated every year by our very good friend and supporter, Arthur Browning.

Thanks once again, Arthur, for your generosity. The notice for entry is posted on the notice board on the third floor. Just add your name to the list and you are in it. Entries close on Tuesday, Sep-

tember 10th, 1963, and may the best man win.

Full details of handicaps and conditions will be published in next month's issue of this magazine.

Camera Club Membership Increasing

Although naturally still in the formative stages the recently established Tattersall's Camera Club is growing rapidly in membership.

Formed barely two months ago with ten members at the inaugural meeting the Club membership has now increased to twenty six and interest in its activities is so high it is expected that this will be increased further in the near future.

A committee has been formed pro tem as previously reported in T.C.M. and they have been active in the Club's affairs. They have established a "Charter" to guide their activities and are working to it in planning their activities.

Already the Camera Club members have been active and readers will be interested to know that some of the shots which are included in the centre spread "Night on the Snowy" feature in this issue of T.C.M. were taken by Barry Aboud. This is a real tribute to the Club and promises great things for the future.

The Camera Club is still looking for members incidentally so if you have any interest in photography at all, call at Tattersall's office on the second floor. They'll be pleased to tell you how you can join up.

CYRIL OSWALD-SEALY, Mr. SNOOKER 1963

The final of the tournament provided a fitting climax to a most successful competition. The winner in all his games gave a display of care and tenacity that is so essential to survive. Probably no man associated with billiards has done more to further its interests than C. Oswald-Sealy. He has been an officer of the Billiards Association for many years and at present is patron of the Australian Amateur Billiards Council, Vice-President of the Billiards Association and Central Council and Vice-President of the Amateur Billiards Association of N.S.W. Full marks to you, Cyril.

HOW IT HAPPENED

1st SEMI FINAL

C. Oswald-Sealy v. D. S. Dind

Cyril, the cautious tactician, David the dashing attacker. 1st game, Cyril in control all the way for a good win. 2nd game, followed the usual see-saw pattern of snooker, David got the breaks, turned the tables and won. 3rd game, again the see-saw, Cyril all the way.

2nd SEMI FINAL

G. R. Bryden v. L. H. Howarth

Roy was the tournament favourite, as in practice games he had been killing champs and ex-champs off the stick. On 37 and on paper, he looked a sitter, probably the hottest favourite on record for a semi final. His opponent, Larry a well-blooded fox of the bull-ring. In no way perturbed by Roy's much publicised current form, Larry settled down and played the best 3

games of his career, winning the 1st and 3rd frames. A great performance. The glee and pride of his mentor, Claude of the Moore, was really something to see. Next year, Roy.

FINAL

C. Oswald-Sealy v. L. H. Howarth

The final was a terrific battle of cunning and endurance between 2 very wily birds. In the 1st game Cyril appeared to be home and hosed, but Larry staged a typical Howarth finish by potting all the colours to flash up and win. In the 2nd game when Larry looked like winning the tournament by 2 straight wins misfortune set in. When the game reached the black, Larry went in off it and it was one each and one to go. In the 3rd game, Larry's unfortunate mishap with Nellie seemed to turn the tide against him and Cyril came home with a fair margin. Commiserations Larry and congratulations Cyril.

Play-off for 3rd and 4th places, G. R. Bryden v. D. S. Dind. Follow the beaten favourite and so it turned out. In this play-off, Roy hit his track form with a polished

exhibition of potting and it was Roy the winner and David for 4th place.

The musty ideas of previous years of waiting for each round to finish before the next was drawn caused tournaments to drag on and on. This year the open draw as used in all other sports has helped the office staff in providing a continuity of games. At times this becomes a most difficult job, as with our players mostly business men and with games played in the afternoon fixing a time and date to suit both players can be a headache. Under the circumstances many diversions have to be made from the Notice-to-Play Cards. When games were unavoidably postponed, the blank spot was filled by a match game for members to watch while awaiting a tournament game to start. This innovation has been popular with players and spectators alike. Full marks to Jim Thomson for his patience in trying to meet the wishes of the players. Interest is now focused on the championships and the four-ball snooker handicap to be played each day to conclusion.

All Quiet on the Swimming Front But Plenty Ahead to Look Forward to

Well as all Tattersall's swimming enthusiasts know our season ended last month, climaxed by our interesting and exciting club championships. Since then things have been pretty quiet around the pool as far as competitive events are concerned and the swimming which has been done has been confined to social dips during lunchtime, an ever popular way of spending the midday break.

No doubt there has been added to this some quiet training by the dedicated who are either reluctant to let existing form slip or are anxious to build up improved performances for next season. To these we say keep up the good work for our new season is not far away and it won't be very long before we all get started again.

In fact it will be just about one month for our starting date is the 15th October. We'll be getting going with the 40 yard handicaps on that date and we're looking forward to all the "old stalwarts" being there together with any new members who may be interested in joining our ranks.

New members will be particularly welcome and they are invited to try out in a time trial which they can arrange at the pool at a time to suit their convenience with any swimming official.

Don't worry if you're not a champion or even a good swimmer. The "old equaliser" or in other words, the handicapper, will take care of things so that everyone gets an equal chance, even though it's sometimes hard to get some of our members to believe that he works on this principle.

So come along and be in the fun. While we're waiting for our new season to start we've got our Annual Cocktail Party and Prize Presentation to think about. Preparations have already been started and are now moving forward a pace.

We're looking forward to a good roll-up for this function which, if past performances are any guide, should prove to be a winner.

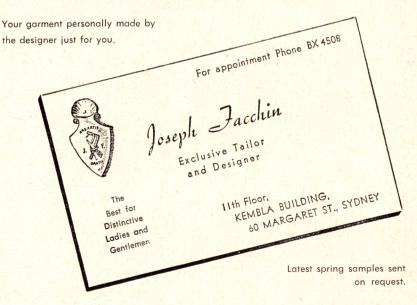

It is to be held in the Clubroom on the first floor between 5.30 and 7.30 p.m. So come along one and all and be in the social event with which we close one season and open another.

From all indications next year should be a good one for we can confidently expect some outstanding performances from the "champions" who in the past have provided us

with good swimming and close fought events. But I think we can also expect some new performers to come along during the season and give the status quo a shake. Be that as it may I know we can anticipate the good fun and good sportsmanship which have always characterised our activities on the third floor.

Here are our Swimming Club Championship finalists in the water immediately after their race last month. From the left they are John Devitt (1st), Bill Kendall (4th), Paul Blake (3rd) and Dave Emanuel (2nd).

Bowlers Nearly Washed Out

Another quiet month in the bowling section. What with Double Bay with only one green in play and continuous wet weather we were lucky to get in the few games we did.

. . . I'm not a financial wizard!

In fact my knowledge of business matters is rather limited . . . that's why I appointed Perpetual Trustee to look after my affairs.

It's really a wonderful service . . . they collect the income from my investments and send me a cheque regularly. There's no worry about book-keeping or making out taxation returns, either . . . Perpetual relieves me of all those difficult details and their experts are always available to advise me on any problems which arise. It's good to know your affairs are in such capable hands!

Acting on behalf of people who prefer not to be burdened with the many responsibilities of financial management is just another service of Perpetual . . . Australia's largest trustee company.

Perhaps Perpetual can be of assistance to you. Call and discuss your problems with a senior officer who will be glad to offer expert advice and assist you in any way possible . . . there's no charge for this service.

The one bright spot was that our pairs handicap has got down to the quarter-finals thanks to the green space made available to us by both Waverley and Vaucluse Clubs. An excellent surface was provided at both clubs. Vaucluse especially as no doubt their Greenkeeper, Jack Scarlett, has done a good job there to provide such good greens in the weather conditions that have prevailed.

Those left in the pairs handicap are: C. L. Davis and P. McGrath; V. Richards and T. B. Dwyer; L. Burke and R. Tobias; K. Williams and J. Phillips; R. Relton and R. E. Davis; H. Jones and G. H. Levey; C. Cohen and R. Darch; S. Chatterton and F. Harris.

Tattersall's were well represented in the final of the Waverley Trophy which was won by Double Bay from Chatswood. Out of the eight players no fewer than five were Tatt.'s bowlers: Ken Ranger, Cedric Emanuel, Duncan McFarlane, Ron Relton and Noel Hough.

No doubt September will be kinder to us in regards to the weather, and we are looking forward to our big attendance again.
